About me

I'm Kristoffer, and I love turning ideas into awesome designs. Whether it's a sleek digital project or something tangible for print, I'm all about creating work that looks great and works even better.

On my spare time I like cooking and spend my time with my family.

Work Experience

Digital Designer

Bombayworks AB | 2017-2025

I mainly worked as the Lead Designer on the CMAP project for Electrolux for 6 years. Driving conversions and engagements on the site. Also strategic works, prototypes, creating campaign sites, email campaigns, content, animations and icons.

I also worked with Findus Foodservices and Anamma. Where we did a complete overhaul of their site and their graphic profile for the web.

Resurs person

Sandeplan middle school | 2016-2017

Worked at a middle school taking care of two children with learning disabilities. Structuring their day and helping with homework.

Graphic Designer

Skånska Dagbladet | 2014-2016

Worked with advertising and print media. Creating Ads and artwork for the newspaper.

Graphic Designer

Eminent Reklambyrå | 2008-2009

Worked with advertising and print media. Creating Ads and artwork for local real estate agents.

Freelance Designer

Egmont Publishing | 2004-2023

For many years, I collaborated with Egmont Kärnan as an independent designer and layout specialist and contributed to a wide range of publications. My primary attention was on magazines, books, comic books, and advertisements.
